Description

Resalta, the Leading Energy Efficiency Services Provider in the Region. Resalta was founded in 2011 with the aim of becoming the leading provider of energy services in the region. Within six years we have registered incredible growth, gained a wealth of experience and helped countless companies and public institutions lower their energy costs, improve their energy efficiency and reduce their carbon footprints. Our goal remains unchanged and we continue to diversify our service portfolio in order to consistently offer the best solutions to our clients' energy challenges.
