Description

For over 25 years, Move One has provided seamless international logistics solutions, [corporate relocations](#), [moving and storage](#), and [pet shipping services](#) across the globe. A leader in emerging and frontier markets, we understand our customer requirements and difficulties they face operating in challenging environments.

Move One has provided project logistics in support for military, humanitarian organizations, and the energy sector throughout the developing world. With operations in Eastern Europe, the Balkans, Central Asia, the Middle East, and most recently the African region. Move One has the necessary experience, local knowledge, and resources to execute on any logistic project. We are not just a [logistics company](#), nor a [moving company](#) but we are Move One.
