

MAJA DIMNIK

Founder & CEO

WORLD OF GLAMPING

<http://www.worldofglamping.com/>

Bilateral Meetings

- Monday 02:00 pm - 05:00 pm

Description

Maja is an international speaker, was the co-founder of glamping design company GlamPro and is a founder of World of Glamping, brand that is the first in the world to standardise glamping industry with a goal to establish an order in glamping tourism. She established complete marketing and has managed some of the best luxury glamping sites in Slovenia, including Garden Village Bled recognized as one of top 10 glamping resorts in the world (by National Geographic). After finding success in the field of luxury glamping she has decided to dedicate her energy to one of her true passions, to help properties raise quality and reach higher level. World of Glamping brand is made in Slovenia and supported by governmental bodies such as (Slovenian Ministry of Economic Development and Technology and Slovenian Tourist Board).
