

Mitja Trampuž

managing Director

CREA pro d.o.o.

<https://www.cleopatra.ai>

Bilateral Meetings

- Monday 02:00 pm - 05:00 pm

Description

CREA pro is in the results & performance improvement business. Our business is to help companies achieve breakthrough results in their value creation activities - in essence making the processes themselves more valuable to their customers. The proven approach we use at CREA pro is derived from the best practices in business process management, data science/AI and innovation, combined with leadership by industry veterans.
