Office massage

BizPliz is a Physical therapy program designed for the relaxation of employees at the workplace with the idea to free them from stress and unpleasant feelings of blockade through quick massage sessions, done over business attire on a specially designed massage chair. The treatment takes 15 minutes during which the licensed therapist massages the neck, shoulders, upper and lower back, relaxing the muscles. After the massage, employees will feel comfortable, ease of movement and no more pain. This energy boost will take them through the rest of the day.
