Bilateral Meetings

- Monday 02:00 pm - 05:00 pm

Description
During last 10 years we have worked on more than 50 projects, building both simple to use and advanced applications on mobile and web platforms. Our cross-functional team consists of 30 experienced and motivated people involved in design, backend, frontend, infrastructure, architecture, etc. We build strong partnerships with our clients based on mutual trust, support and respect. We share passion for the products we develop, helping our clients enhance their vision and process, and reach full potential of their idea.
