Description

The company "Kosa Trade" has been carefully building over 20 years. From a humble beginnings, by placement of quality and diverse products, we have come to the position of leaders in the field of import, distribution and sale of hand tools, construction and agricultural tools, welding equipment, enology equipment, small agricultural machinery, all thanks to the quality and trust that provided by our faithful clients.

The distribution center in Niš was opened in 2010, thus completing our distribution network on the territory of Serbia.

We strive to constantly improve the experience of our clients by adapting our offer to their needs, but also by anticipating the future demands of clients, especially in the world of technological innovations that facilitate work in all fields, both from home and professional use.

Over the past 20 years, we have expanded the range to over 9000 items and established excellent business cooperation with over 50 foreign and 100 domestic companies in order to ensure the quality of our services at the highest level.
